Bedside Emergency Supplies Kit Checklist

The Bedside Emergency Supply Kit contains essential items you may need if you are trapped in or near your bed and unable to get to other parts of your home.

Keep important items in a nightstand next to your bed so you can quickly and easily access them. Include items such as a cell phone, medication, water, and a flashlight in your Bedside Emergency Supply Kit. Use this checklist as a tool to ensure you have the necessary items in your Bedside Emergency Supply Kit.

Date Done	Item	Notes
Important hardcopy information:		
	Emergency health information ¹	
	Copies of emergency contact lists. ²	
Other important items:		
	Cell phone	
	Standard telephone (that does need to be plugged into an electric outlet)	
	Essential medications	
	Flashlights and extra batteries, light sticks
